COMING IN club

**LONG
TALL
SALLY**

Why have another issue of Club at all when this month's has been possibly the best magazine in the history of creation? Shouldn't we quit while we're ahead? Well, we don't mind admitting that there are days (usually Mondays, in fact) when this seems a good idea, but there are three problems with it. One: We'd all be unemployed, and we'd end up on the corner of Old Compton Street with a tin of Tennents Super and a hygiene problem. Two: Next month's issue is squaring up to be better than this one. Three: If we give up now, none of us will ever get to see Sally here sticking her rather delicious bare bottom in the air. Hmm. See you next month. ♣

"Sensitive?" she repeated, her hand lingering on my boobs. "That's a problem I have too. It can be quite embarrassing, can't it?" I smiled in agreement, feeling Alice's hand still on my breast.

She didn't take it away. "Just how sensitive are they?" she asked. I was so surprised that she was coming onto me like this, but I decided that if she was game, so was I.

"Does it feel good if I touch it like this?" Alice asked, rubbing my nipple gently. I nodded, not able to trust my voice. "What about if I do this," she said, cupping my breast in her hand and lowering her mouth onto my nipple to suck it. I let a loud groan escape from my lips and Alice, quite correctly, took this as a sign of encouragement.

Her hand felt up my skirt and pulled my panties down. She parted my legs and slipped one of her fingers into my pussy and started frigging me. My juice was running down her fingers and wetting her palm, I felt hornier than I'd ever been in my life.

Alice looked me in the eyes, and then put her wet hand to her face and started licking my juices off it. This really drove me crazy! I had been frozen, but now I undid her blouse and bra, then rubbed my hard nipples against hers.

I looked at her pretty face and kissed her lips. She replied by sliding her tongue into my mouth and entwining it with mine before sucking my bottom lip. My kisses worked their way down her neck, over her breasts, then, as I pulled her skirt down, towards her pussy.

"Oh yes, that feels good," Alice sighed, as she rubbed her pussy against my face while I inhaled deeply her beautiful female smell.

My tongue teased around her fanny until I found her clitty, which was hard and aching to be sucked. She was so sticky and sweet that I really loved exploring every inch of her cunt. When I rubbed her clitty with my finger, while still plunging my tongue deep inside her, she

started coming.

My tongue greedily lapped up every drop of her juices. It was definitely the tastiest pussy juice I'd ever had the pleasure of drinking!

Just as I was licking my lips I heard footsteps coming towards the changing room. I tried to pull my knickers back on but it was too late. There stood a handsome guy in his early 20s staring at us wide-eyed and red-faced.

"I'm sorry," he stuttered. "I thought my girlfriend was in this cubicle." Sure I thought. By the look on this guy's face he'd been listening — and getting pretty turned on by what he heard!

"Don't apologise," said Alice. I guessed what she had in mind, and because I was still feeling horny from licking her pussy, I was all for it!

"My friend was measuring me up," I said. "Maybe we could get a few more measurements from you as well?"

He stood there and I can assure

you it wasn't long before Alice and I had our friend undressed and lying on the floor.

Even though our lezzie frolics had got me hot, there's still nothing to compare with

hard cock! As soon as

saw it I wanted it inside me —

and Alice encouraged me to straddle the guy and sink my tight pussy down onto his prick. Then she straddled his face, so he could tease her with his tongue while I humped up and down and gave him a vigorous fucking. When Alice and I had both come again from his expert attentions he pulled his cock out of me and then sprayed us both with his lovely thick spunk.

I invited Alice and the guy, Jim, to my place for the weekend while my husband was away on business. We managed to fuck in every single room in the house — no mean feat when you consider that my house has 15 rooms!

Some interesting queries have dropped on the doormat lately so I've decided to answer them myself in my massive column.

Mr Ronnie Throng of Didsbury, writes: "If your magazine really is personally endorsed by God, as you claim, why is it full of spelling mistakes?" A good question, Mr Throng, and one which I put to God through our personal envoy to the deity, Mr Nathaniel Fatbasterd. "Oh, he never reads the words, he just looks at the pictures like everyone else," replied Nat. I hope that clears it up.

It seems our Son of Bad Joke column is much missed by loyal fan and tireless correspondent Mrs Doris 'in the works' Spanner of Borehamwood, who has written to us demanding that more side-splitters sidle their sinuous way into our omnipresent organ. So, sneezing from the dust, we dug deep into the F for Forget file and wiped off this old favourite especially for you, Mrs Spanner:

Q: Why does the ocean roar?

A: You would too if you had crabs all over your bottom!

Finally, a word from Ms Googie Smithers of Braintree. "Recently, I visited a Soho public house and saw

a scrawny blonde git answering the description of your Editor sitting in the corner surrounded by empty glasses of Guinness and ashtrays overflowing with half-smoked Marlboros. He was resting his head on a Next Directory clothing catalogue (open at the lingerie section) and moaning something like, 'Oh God, what the fuck am I going to write the editorial about this month?'

"My question is this: couldn't he have come up with something better than making up a load of weak reader's letters to fill the space? With so many tragic, momentous and fascinating things going on in the world, it's a bit pathetic to kill trees just to put this crap on them."

A very fair point, Ms Smithers, but one that is lost on me because I'm drunk. I'll get someone else to write this section next month, honest. ♣

We knew as soon as we set eyes on Helen that she was a complete natural. No sooner had 'Bubbles' Harrison taken off his lens cap and pointed his Nikon at our naughty newcomer, than she was rolling around on the bed, pouting at the camera and slowly peeling off her panties.

Direct Approach

At my University we have many different societies and clubs but my friend and I have decided to start a club of our own called 'The Society Of People Who Don't Like To Beat Around The Bush When It Comes To Sex' (TSOPWDLTB-ATBWICTS).

Like many men, we always used to spend

three other people as the bills are a lot cheaper spread this way, though privacy is pretty much a thing of the past.

There are two girls in the flat and one other guy. On Friday nights we always all go to a pub, then on to a club, but this Friday I decided to

door opened and I saw one of my flatmates, Gail, staring at my erect prick.

"What are you doing here?!" I yelled.

"I didn't feel like going out," she answered, still staring at my deflating cock. "Though I'm glad I came back," she continued with a wicked grin. "It looks like you need a little help to get things going again!"

I lay there stunned, as Gail came towards me. Gail often stayed out all night, so I knew she had an active sex life, but I'd never, ever thought she'd be interested in me.

"Just relax," she whispered as her lips found mine and we began kissing. I could feel my cock begin to rise again and dig into her stomach. She went over to the stereo, put some music on, and began to do a sexy strip.

Gail's clothes were being tossed around the room and when her panties landed on my head I almost came right there and then. My prick ached to be inside Gail's pussy and it felt as if it would almost burst.

"Hay, hay with the Monkeys!"

loads of time and what dosh we had chatting up women, only to find we didn't stand a chance of a shag. So we adopted the following technique for finding crumpet:

1. Select your target — preferably someone so gorgeous you don't think you stand a chance.

2. Go up to her and say, "I'd offer to buy you a drink, but I'm skint. How about some sex instead?"

3. Shag her.
OK, it's not very gentlemanly, but the strike rate's no worse than before and it's a lot cheaper. So far there are only two members in our Society — my mate and me — but I'm sure that the idea will soon catch on. — *Bruce, Cambridge*
Are you positive about that?!

More Than Mates

I've just started my first job and because I'm only 19 and not very experienced, the pay isn't exactly grand. Consequently I live in a flat with

I was lying on the sofa wanking off, knowing that nobody would walk in on me — or so I thought. Because all of a sudden the lounge

Dear Sadie,

After seeing you in Vol 21 No 4, I just had to put pen to paper and tell you how beautiful you looked!

My fantasy is quite simple — I'd love to be the man who takes your photographs! I can just imagine the two of us in a studio together. You're lying on a bed, dressed in stockings and suspenders, and as I snap away, you slowly peel them off until you're naked.

I move from behind the camera and we kiss. As our tongues snake around in each other's mouth, I can feel you pulling my trousers down.

You tell me to lie back on the bed, and then you clamp your lips around my dick and treat me to

an expert blow-job. As you run your tongue around the bell-end of my dick, I can feel my cock twitching, and you pull my dick out of your mouth just as I release my sticky load!

SNAPPED!

After their triumphant comeback tour (one night at the Town and Country) the Bay City Rollers, or whatever naff name they have to call themselves now to avoid legal problems, celebrated in style. Humming along to such great hits as *Bye*

Bye Baby and whatever other songs they did, Rollers Les McKeown and Ian Mitchell hit London's top nightspot, and then went along to Stringfellows, where they naturally ran into loadsa women with their boobs hanging out.

"This is the very month that sang such great numbers as *Bye Bye Baby* and all the others I can't remember," said

Now... a bunch of tits

She took my meat into her mouth and began sucking it while her fingers tickled my balls. My cock began throbbing and I groaned as she moved up and straddled me. Her pussy was so tight as she sunk down onto my cock, and my eyes locked with hers as she moved slowly up and down my rod, squeezing it with her cunt muscles.

Gail's breathing began to match mine. Her groans were turning me on, and when she starting talking dirty I was

fascinated by what she said.

"Oh yes — keep on fucking me! Feel my cunt! It's going to suck out every drop of your spunk!" she cried, her face screwing up as her cunt muscles throbbed. She started riding me even faster, squeezing her pussy up and down my rod. I gave one long, loud cry and thrust my cock deep inside her as I shot my boiling load.

Gail slumped on top of me, exhausted. When her breathing slowed to a less

How does that sound to you, Sadie? I'm ready and waiting with my Canon! Robert, Londonderry I'll bet you are, Robert! But you missed out on the best part — the bit where I can

Hairdresser Jennifer is about to start her own salon with a difference! "Barbers are so outdated nowadays," explains the 21-year-old, "so I want to start a modern salon just for men. All the hairdressers will be beautiful young women and our uniforms will be low-cut mini-dresses so the customers have something pleasant

to look at while we cut their hair. And we'd go back to the old barber ways by offering the men 'something for the weekend'. You never know your luck – with a little encouragement, they might use them on them staff!" I think we can guarantee that the salon will be a great success with the male population, though we're not too sure their girlfriends will like it! ♣

Legs. Although sadly neglected sometimes by Club International, they are highly important things: without them, women wouldn't have anything to hold their bottoms up, and they couldn't get to the bar when it's their round. But just as importantly, Diana here wouldn't have anything to wrap around her ears in next month's issue. Think about it. ♣

him as I spread the rug, then lay down, raised my knees and opened my legs wide — giving him a view of my bare thighs and the crotch of my knickers.

Then I opened my legs wider and ran my hands up and down the inside of my thighs. Next I pulled my knickers up into the crack of my bottom and the slit of my cunt and began to work the material up and down. God, it was gorgeous! I could have come there and then, but I wanted to prolong the sexy feelings that were surging through me.

There was no going back now. I

"98... 99... 100... Coming whether you're ready or not!"

lifted my skirt up, raised my bottom and slid my panties off. Then I opened my legs wide and pulled the lips of my fanny apart so that he could see it all.

I glanced in his direction and saw his arm pumping up and down. He was obviously having a wank! I soaked my middle finger with pussy juice and began to rub my clitoris. I was so worked up I nearly came on the spot!

I began to rub faster now, opening my legs as wide as possible, giving him a grandstand view of a horny girl masturbating herself into a frenzy. I knew that I couldn't hold back much longer. Then I heard a grunt from behind the bushes and by the look on his face, he'd obviously shot his load.

It was all too much for me and I came off like a volcano. There was this sort of orgasmic explosion in my cunt that was so strong and went on for so long that I almost passed out. It was just like having my very first orgasm all over again — totally mindblowing!

Still in a daze, I put my knickers back on and looked up. The lad had gone. I went over to the spot where he had been hiding and sure enough, there was spunk all over the leaves.

The rest of the day was a blur. I couldn't concentrate on the conference, and when I thought about what had happened, waves of lust surged through my quim.

I still think about that experience often, especially when I'm alone in bed. Writing this letter has got me wanking myself silly. I only hope I have the opportunity one day to do it all over again! — Joanne, Rutland

Lezzie Learner

I'm a 21-year-old bisexual girl, and my girlfriend Melina and I are great fans of Club. I met her when I was on holiday with my boyfriend (we're now separated) and she's absolutely gorgeous. It's interesting to compare my slim body, with big boobs and blonde hair, to Melina's, with small firm tits and enormous nipples. Her black hair comes down to her waist, and she does some amazing things to my pussy with it!

Melina and I met in the hotel bar, and I couldn't take my eyes off her. The thought of what she'd be like in bed had my nipples tingling and my cunt juicing up in an instant. I noticed she was staring at my boobs, and as I had no knickers on I could see a damp

patch forming on my cotton dress. Suddenly she grabbed me and pulled me onto the dancefloor. She was a fantastic dancer, and I knew by the way she was grinding her hips towards me that we would end up in bed.

We went for a walk along the beach in the moonlight, and when she took my hand I kissed her full on the lips. We were soon lying in the sand, touching each other all over, and when Melina pulled my dress off and saw my shaven snatch and big tits for the first time she went crazy. I lay back as she went down on me, raising my hips so her tongue could penetrate my pussy even more. When she came up for air her face was covered in my juice.

It was obvious that Melina had been with plenty of other girls before, but she was my first. I just took the plunge heading straight for her hairy pussy and spreading her plump lips. Then I took my first lick, and the warm, wet, juicy softness of her cunt was fantastic. I ran my tongue up and down her sweet-tasting slit, sucking on her hard clitty and dipping my tongue into her honeybox. We ended up in a 69, licking and fingering each other to climax after climax before we went back to the hotel.

After that first night, we met whenever we could, and although we had to part at the end of the holiday we missed each other — and the great sex — so much that she's come over to stay with me now. I could never give up guys completely, but Melina has added a whole new dimension to my sex life. — Philippa, Reading ♣

Strip Tease

I'm writing to boast about my girlfriend Charlene. She's the horniest woman I've ever met, with a body that sends my cock crazy. Her tits are big, with hard pink nipples, her bum's round and squeezable, and her pussy is so hot and tight that I don't think I could live without it!

I first spotted her at a party

on and told me to sit down. But instead of sitting beside me, as I expected, she stood in front of me, looking down at me with a naughty expression.

Charlene's fingers flicked open the buttons of her white dress and as it fell to the floor my cock hardened. Her sexy underwear really showed off her figure and my mouth was watering at the thought of

wanking it slowly as Charlene's hands moved down between her legs. Her fingers slid under the waistband of her panties and then further downwards. She kept looking right at me, with a really dirty expression, as she shoved her fingers right into her cunt and began masturbating for me.

I could smell her pussy juice, and my cock was aching to be inside her. Licking her lips, she took off her bra and started rubbing her nipples with one hand, the other still working away at her pussy. Then she took her knickers off too, spreading her legs wider so I could see her fingers glistening with juice as they thrust up her.

I'd never even watched a girl masturbate before, and when Charlene started to come I thought I'd shoot my load on the spot. But she'd obviously decided the time had come for her to ride my cock, and she straddled me on the sofa so she was sitting on my lap with her pussy hovering over my prick.

tasting her pussy. As I gazed at her she ran her hands over her lacy bra, lingering to pinch and rub her nipples, then slid them down her thighs to her stocking tops.

I unzipped my trousers and pulled out my stiff cock,

and immediately tried chatting her up. "Come back to my place tonight," she whispered in my ear, giving my crotch a gentle squeeze.

We got a cab to her flat, and as soon as we got inside, she put some seductive music

Mmmm... nice arse!

Dear Cameo,

After I saw your pictures in Club (Vol 21 No 6), I just had to write in and sing the praises of what are undoubtedly the most perfect pair of nipples I've ever set my eyes on!

What I'd really love to do is to put my throbbing shaft between your beautiful tits, and then keep on pushing upwards until I release loads of hot spunk all over those prize peaches. You'd lick the head of my cock every time it poked out of that creamy cleavage, then lap up my spunk from your boobs — paying particular attention to your hard nips, of course!

Then I'd kiss my way down over your stomach and get stuck into the second course: that tasty

looking pussy of yours! Of course, dessert would be a wonderfully wicked 69 session. How about it Cameo — I'm all yours! — Loz, Hull

Mmm, that's the kind of letter I like, Loz; no messing about — just straight to the point! I love the thought of all you blokes having dirty

fantasies about me! And I've got such sensitive, suckable nipples that any guy who pays that much attention to them is definitely okay by me!

That's why I love to fuck so much; masturbating only leaves one hand free to fondle my boobs, and it really does take two! — Cameo. ♣

Club doctor **Hans Onyorbollocks** answers your medical and sexual queries with compassion, discretion and a muffled giggle...

As you can see from the enclosed photo I'm into rubber in a big way. I have turned my yard into a paradise for rubber enthusiasts. Is there anywhere that I can meet other rubber fans? I tried something advertised as a 'Rubber Night' in *Skin Two*, but found it was full of girls in skintight dresses — not a Dunlop SP40 in sight. What a rip-off! **A Valve, Lewisham**
The Doctor replies: **There are establishments**

She sank down onto my cock, clasp it with her cunt muscles. Then she started moving on it, from side to side as well as up and down, giving my cock the most thorough fucking I'd ever experienced. I began to thrust up into her, but she held me down firmly, making it clear that she intended to control the pace of our fucking. It felt like she was drawing the spunk out of me with the force of her fucking, and as she started writhing on top of me, her spasming pussy gripping my cock hard, I shot my creamy spunk deep inside her.

Charlene still hadn't had

enough though, and she told me to watch as she fingered herself again, my spunk oozing out all over her hands. She licked it off hungrily, making me hard enough to start all over again...

Charlene and I have been fucking each other ever since, and as far as I'm concerned she must be the dirtiest cock-hungry exhibitionist in the world. Can you blame me for wanting to boast about her?

MISBEHAVING

She's rich, beautiful and a raging nympho and it's watching her being shafted by three studs together that finally drives her husband out. After this, she takes any man she can, at anytime. The real climax comes when she realises just how 'big' her black manservant really is.

SUZIE SUPERSTAR

She is a sex superstar. She screws regularly with her Manager, picks up younger studs in the clubs, two or three at a time, but what she likes best is picking up young girls and getting right inside their soft yielding bodies.

Another excuse for a picture of a nice bottom. This month's bum related history lesson: the knicker rationing of 1940...

The Second World War brought shortages of everything. Bananas soon disappeared from greengrocers, meat was in very short supply and comedy programmes like *ITMA* and *Take It From Here* were limited to a mere three jokes an hour and had to make up the deficit with catchphrases. But the worst of the lot was knicker rationing.

To make them last longer, girls were only allowed to wear knickers one or two days a week (depending on ration coupons), a time known as the Back-Out. A team of Arse Raid Wardens were employed to check that all the girls' bottoms were not covered on non-regulation days, shouting "Turn that

butt out!" to anyone caught breaking the rules.

By 1942 The Battle of Knicks-on was fought to recapture enough material to provide an adequate supply of panties for all the women of this country. Unfortunately most of this was parachute silk so the knickers were a bugger to pack and only came down very slowly. However in June, 1943 Winston Churchill described the undie-cover operations involving thousands of men away from their knickerless wives with the now immortal line, "Never have so many panties gone down in so many places for the benefit of so few."

But this wasn't strictly accurate. In 1941, the Americans had come over and fucked the lot of them. ♣

PERMA HURTZ

The curly-topped columnist who puts the aaaaaaargh in agony aunt!

Dear Perma,

My hubby Bernard and I have been happily married for over 20 years. Imagine my surprise, therefore, when I returned home early from the Chingford Crochet Circle and found him sitting watching *Gardeners' World*, a mug of Horlicks in one hand and a Mr Kipling French Fancy in the other, stark naked except for my best bri-nylon underwear. Naturally I affected not to notice his unusual garb and carried on as if everything was normal. In my mind I dismissed it as a one-off aberration. How can I tackle the delicate situation?

Perma replies: Fear not, luv, your situation is by no means an unusual one. Men in middle-age are often seized by the desire to dress in frumpy housewives' clothing.

The secret, darling, is communication. Communication is the hardcore on

out in the open. Then, when you've let him open up his heart to you, grab him by the nipples and yell "You've stretched my knickers, you fat bastard!" You'll never look back, take it from me, darling.

Dear Perma,

My boyfriend Simon Snuggle-Bunny and I have been living together for 14 years now. We used to have a good relationship, but nowadays he never seems to listen to me. He seldom notices what I am wearing and we haven't played 'Postman Pat delivers the salami' for over two months. How can I bring back the magic of our first years together? Miss Jenny Cuddle, Kent

Perma replies: What you are going through is a very common phase in any relationship. We experts

with a bit of romance.

When Simon comes home from work have his favourite meal waiting for him. A candlelit dinner, plenty of wine and Barry White on the stereo. When you go to make the coffee slip into a sexy negligee. After the brandy go over to him, drop down on your knees and slip your hand inside his flies. Then squeeze his bollocks as hard as you can and shout in his ear "Have I got your attention now, you cloth-eared cunt?" You'll be surprised at the difference one night like this every once in a while will make to your relationship.

Perma Hertz is here to deal with your problems. If you have a personal problem, a sexual worry, or you simply need a bad debt collecting, drop her a line and she'll be straight

girls ever. Everything about her is perfect, from her cheeky smile to that curvy bum and plump little pussy.

I've fantasized like crazy about filling her cunt with my meat, and my girlfriend Lara says she'd love to have her first lezzie session with a girl like that.

I didn't realise quite how turned on Lara felt until I arrived home one day to find her spread out on the sofa, dressed in a replica of Anita's outfit. She's blonde, not brunette like Anita, but she looked just as sexy in a black sweater and stockings.

She had the copy of Club on the floor, open to Anita's pictures, and as I watched her lift her legs up and pull her knickers down to show me her pussy, I realised she was copying Anita's poses — for my benefit!

"Hi," whispered Lara. "Would you like me to be in Club? Imagine all the guys staring at my cunt and wishing they could lick it!"

She spread her legs wide and slipped a couple of fingers into her cunt as she spoke. She already looked so wet that I guessed she must have been masturbating for ages.

I didn't even bother to undress, I was so eager to fuck her. I just pulled my flies undone, bent her over the back of the sofa and rammed my prick inside. "Oh Anita!" I cried, pounding into

ANGELICA

Photographs by Franco Morocco and Stefano Santori

When we heard that 21-year-old Angelica hadn't been back to her native Italy since she was five, we reckoned we'd found the perfect opportunity to fulfil her dream by flying her to a luxury villa in Tuscany for a fortnight. To hell with the expense: if anyone's worth it, it's Angelica.

"It's everything I thought it would be: hot, stylish, and very sexy!" says the London-based student. "The combination of the weather and that continental, stylish approach that everyone has, it makes me feel horny!"

"Both the photographers were staying at the villa too, which was a bit weird: I'd be lazing around the place, my mind miles away, and I'd look round and see a pair of lenses clicking. Every so often they caught me doing things I shouldn't have been... you see, I don't have a boyfriend there, so I had to make my own entertainment! I don't mind you all seeing those pictures, though — I was having a great time when they were taken, after all!" ♠

Day Is A Fjord Fiesta!"
Mainly Cs — You're clearly
after a holiday that allows
you to blend in with local
life. What better than a two
week sojourn in the world's
biggest salmon canning
factory? This is life as it's
really lived! And in Green-

land it can be yours for as
little as £275 a month (clean
overalls not supplied). After a
fortnight of filleting you'll
know why we say 'Greenland
— you just can't Arctic-ulate
how great it is'!

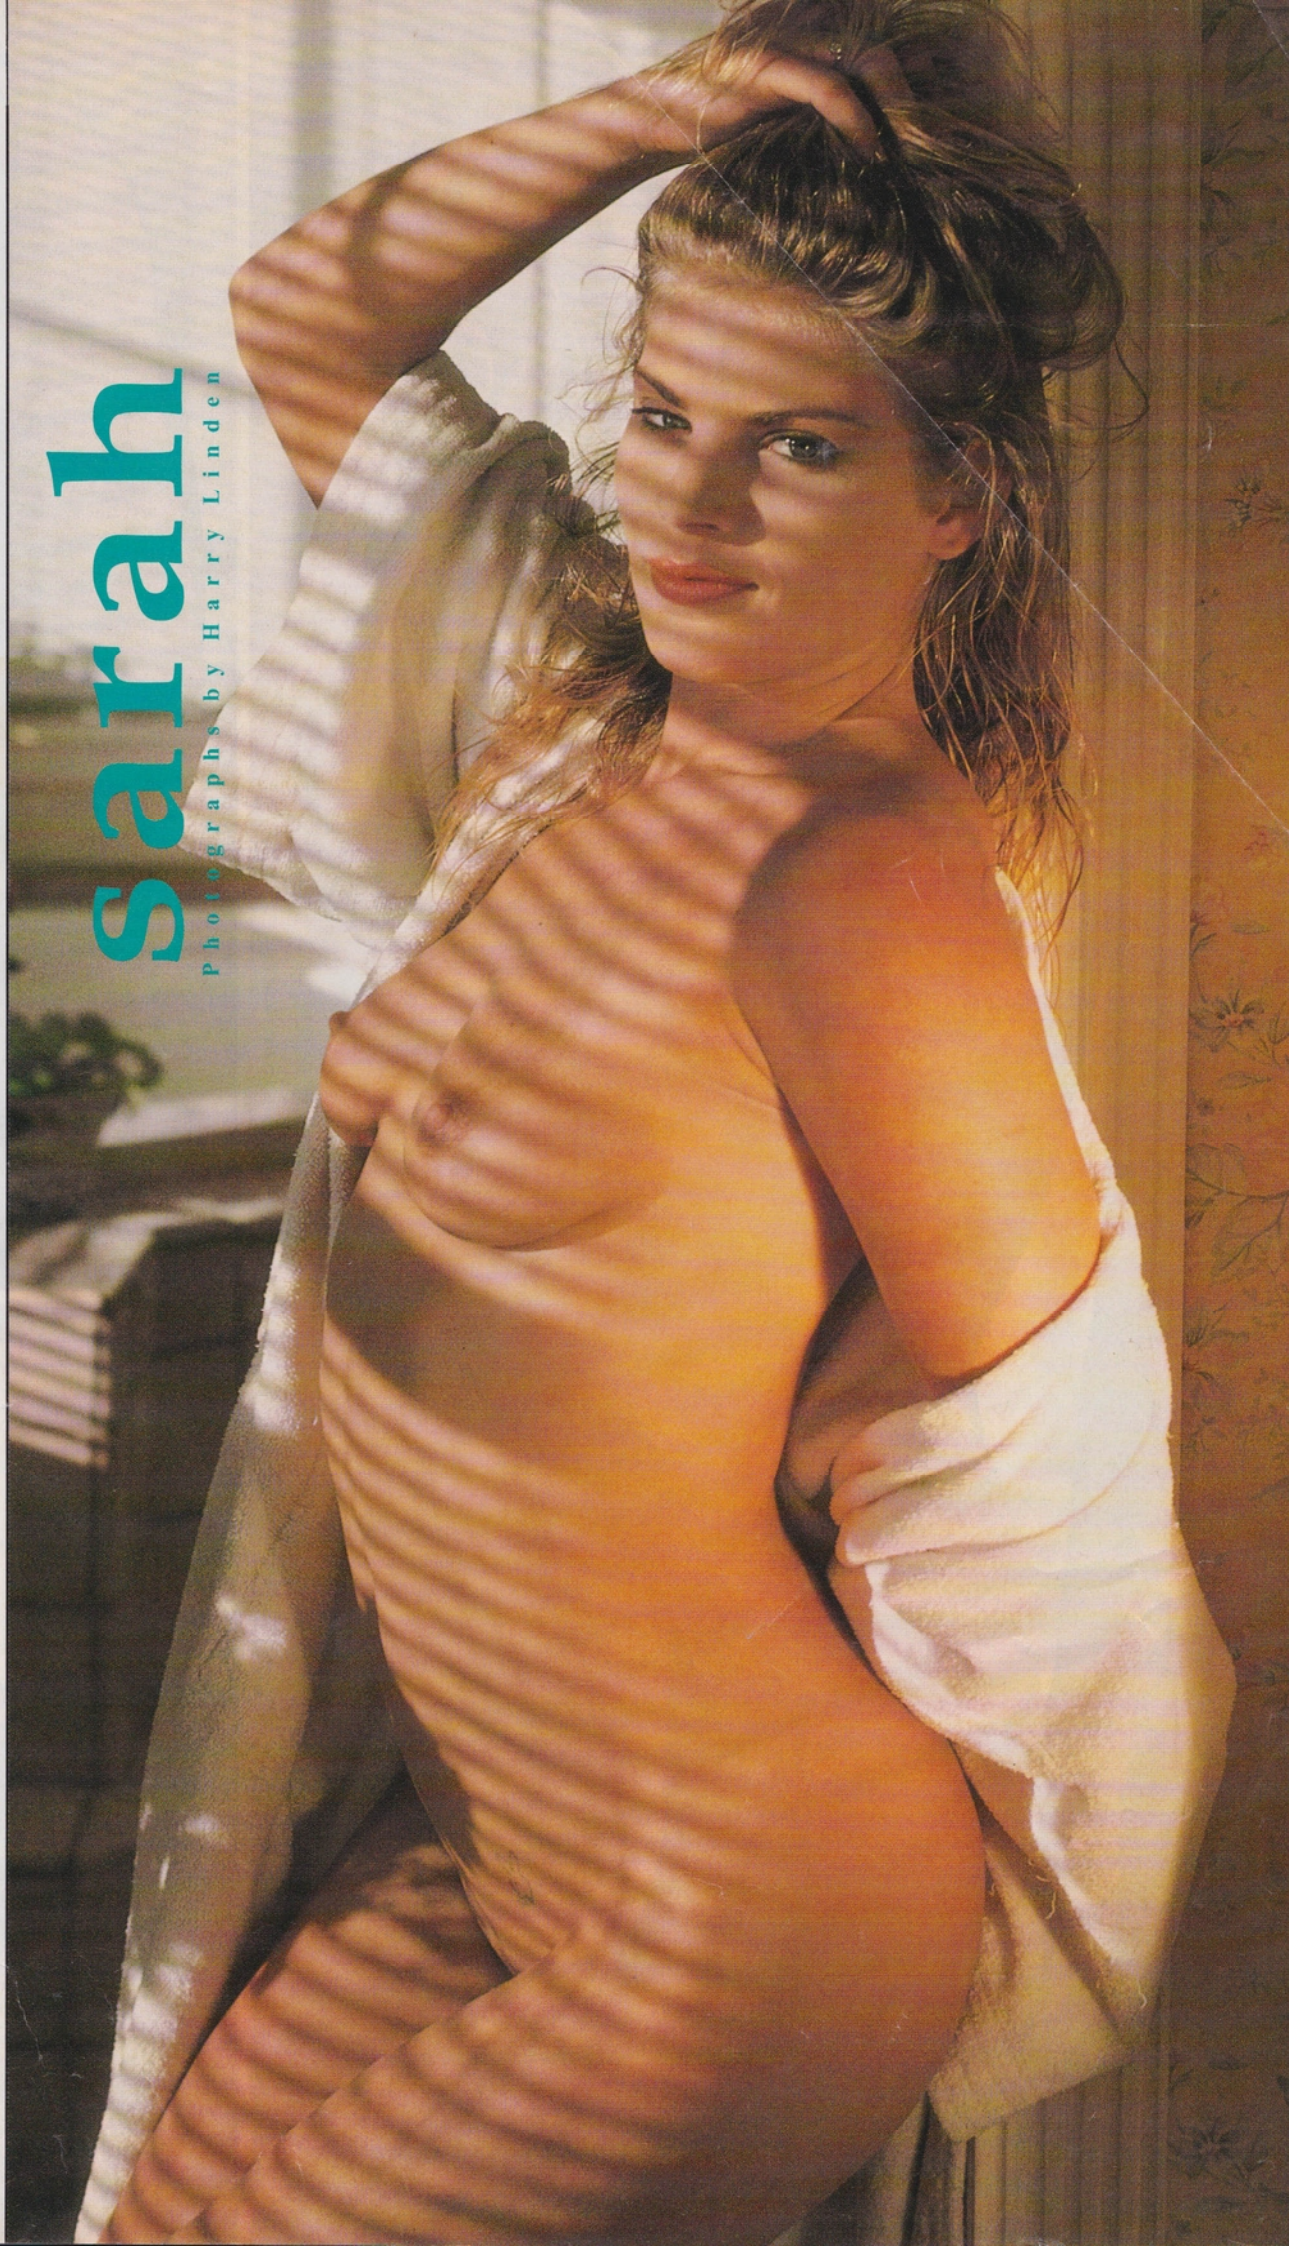

Mainly Ds — Don't like the
heat, hate spicy food. I know
just the place! Yes, with three
months of total darkness to
choose from a winterbreak in
Greenland is 'sun-free
guaranteed'. And with our
fishing fleet bound in pack
ice, there's nothing to scoff
but bland old moss. It's
hardly surprising that we're
proud to boast, 'If you've a
liking for lichen, you'll have
a liking for Greenland!'

Mainly Es — Want to hide
out somewhere that no one
will recognize you? Then
what could be better than a
one-man Arctic weather
station? We've plenty to go
round and after six months of
solitude with nothing to see
but snow and nobody to talk
to but the polar bears, you'll
agree with us when we say,
'Greenland — my invisible
friend Njarl and I are going to
stay here and have lots of
babies together!'

*Well done, Bjorn. Now
you've sent all those
irritating wankers off to
darkest Greenland, the rest of
us can piss off to the Costa
Del Sol and have a bloody
really good time getting rat-
arsed — The Ed. ♣*

sarah

Photographs by Harry Linden

Sorry, but we're not going to write much about Sarah. We're too busy looking at her bottom. It's tight, pert, small and superbly spankable, but you can see all that for yourselves. She kept on wiggling it on the photoshoot, you know. Didn't say much, just looked round at us and wiggled. Yum. Yum, yum, yum. It's all right, we're still normal. Sarah's bottom hasn't sent us round the twist. Yummy, yummy, bummy, yummy. Oogle, boogle, google... ♣

ANNIE

Annie certainly looks like every cowboy's dream; and if you're after a taste of the Wild West, then the 21-year-old sharpshooter comes highly recommended — but you'd better be quick on the draw!

"My local pub has a country and western night every couple of weeks or so," drawls Annie, tipping her hat forward and reaching for her pistol. "Some people dress up in rubber and leather, so why not cowboy gear?"

"It can pretty
raucous," she smiles,
with a wicked glint in
her eye. "There's lots
of stomping and thigh
slapping; and then the
fun really begins.
That's when the fellas
get our their shooters,
if you know what I
mean!"

"Let's just say that
it's not only the guns
that are firing off both
barrels by the end of
the night!" ♣

the press as 'Wattle With the Throttle', who completed a final 100 metres with the desperate speed of a man with Delhi belly who's just spotted a toilet; Alberto Juantorena, the Cuban whose devastating back straight burst in the 800 metres Final caused David Coleman to utter the line, "And Juantorena opens his legs and shows his class," and David Hemery who scooped gold in the 400 metres in Mexico and subsequently appeared on every episode of *Superstars* ever made. Whatever happened to *Superstars*? It was a fine programme; certainly the only one which gave the viewer the chance to see Kevin Keegan fall off a bicycle. Indeed it's hard to imagine how it could have been improved, except by the obvious measure of inviting Jocky Wilson to take part.

● My own favourite Olympic memory came in Montreal. A Haitian 10,000 metre runner of underwhelming ability proved that 'it's not the winning, it's the taking part that counts' by trailing in some ten minutes behind everyone else and delaying the start of all the subsequent events. The same man was supposed to take part in the marathon as well. If he did, the chances are he is still plodding round those Canadian streets even as you read this. ♣

to thank you for producing such a fantastic magazine, I've sent two crates of champagne for the Club staff's enjoyment. By the way, I'm a very tall, curvy blonde with fantastic tits."

It's rare to find a girl who has such an appreciation of our needs. And we have to admit that after two crates of champagne we'd stopped noticing that she's given Becky gorilla's hands, a snub nose and nipples that you could eat your dinner off.

Art critic Edward Floozie-Smith Writes: Hic... This is fan-fucking-tastic. Hic. Get yer kit off Lizzie, and let yer good pal Eddie give you a taste of his big sausage... burp, hic... ♣

P h o t o g r a p h s b y R a l p h M e d l a n d

If there are any budding breast strokers out there, Carol wants to hear from you! The bodaciously boobed beauty from Basildon loves swimming and is keen to get wet with a good-looking guy.

"Nude bathing is fabulous. The cool water lapping over my pussy on a hot summer's day is like a long tongue teasing it!" she says. "I get so

horny I always want to do it right there in the water, but none of my boyfriends can swim!"

Carol, a qualified swimming instructor, is even prepared to throw in lessons to any guys willing to fulfil her wet dream of porking in the pool.

"It could give a whole new meaning to swimming doggy-style!" she laughs. "But please, no buoyancy aids. I could never go off the deep end for a guy in Mickey Mouse armbands and a Donald Duck rubber ring!" ♣

WOMEN'S WRITES

Where the girls get down to business

Eating Out

I've always been very open and relaxed when it comes to discussing my sex life with my friends. Actually, I find it pretty exciting talking about blow-jobs and orgasms, especially if there are guys present, and more than once I've gone home after a particularly steamy night's conversation and frigged myself till I came, imagining all the guys I'd been talking to watching me do it.

Anyway, one night I was having dinner with my friend Connie and her boyfriend when the subject turned to swapping. Although we were in quite a smart restaurant, the table was small, and we were huddled together, so it was easy to talk dirty without the risk of being overheard.

I could feel my cunt getting very hot and wet as Connie told me how she loved Alan to watch her getting fucked by other guys, and I kept shifting around in my chair, trying to ease the tension in my pussy. Finally I spread my legs apart, hoping my friends wouldn't notice how uncomfortable I was.

As Connie continued talking — by now she was describing a recent threesome to me — I felt something

touch my leg. At first I thought one of them had brushed against me accidentally, but then it happened again. After a few minutes of this, a hand came to rest on my thigh. I held my breath as it crept up inch by inch, approaching my pussy.

Alan was sitting quite calmly with both hands under the table, apparently listening to Connie, who was chatting away excitedly. Luckily she

said something quite naughty just as a couple of fingers reached my juiced up pussy, so she must have taken my gasp of surprise as a reaction to her story! While she continued talking, the hand began rubbing up and down my wet slit, spreading my pussy juice around, then stroking my clit until I thought I couldn't control myself any longer.

I was certain I would moan aloud, when Alan suddenly called for the bill. I watched in disbelief as he wrote a cheque — with both hands above the tabletop! It was only then that I realised it

was Connie frigging my pussy, not her boyfriend!

We left the restaurant and I said I'd go back to their place for a nightcap. I didn't take much persuading, to be honest, as I was so horny by now I just had to get fucked — and I didn't care which one of them did it! Alan drove us, and Connie and I sat in the back together, touching and fondling each other. I only went as far as squeezing her boobs, being a bit new to all this, but she wasted no time in getting her hand up my skirt and carrying on from where she'd left off! I felt so naughty,

spreading my legs in the back of the car so a girl could get three fingers up my dripping cunt, while her boyfriend watched us in the rear-view mirror!

As soon as we got inside, they led me upstairs to the bedroom, and I watched as Connie stripped off her dress, bra and panties. She was still wearing her stockings and suspenders, and I was surprised at how horny the sight made me. I'd never really studied another girl's body before, and suddenly I could understand what all the fuss was about! Her pussy looked so plump and inviting,

framed by a thatch of wispy blonde hair, and I wondered if it would taste as good as it looked.

Alan pulled my dress off, and grinned appreciatively when he saw I wasn't wearing underwear. I parted my legs to show him how wet Connie had already made me, and then I forgot all about him as she knelt between my thighs and started to run her tongue all around my pussy mound.

I squirmed and moaned as she parted my cunt lips and slipped her tongue inside me, concentrating on my throbbing clit and then pushing right up into me. My pussy walls were gripping her tongue tightly as it thrust up me, and I threw back my head and yelled as she sucked me to a massive climax.

When I opened my eyes, Alan was standing over me, wanking a very impressive hard-on. I certainly knew now what it took to make him horny! Connie kept right on licking my cunt while Alan slid his stiff cock between my lips. The salty taste of pre-come made my tastebuds tingle as I ran my tongue around the head before sucking it right to the back of my throat. I could feel it throb in my mouth as I increased my sucking pressure, coaxing him to spunk in my mouth. I love the taste of come — although having my pussy licked by a girl while I sucked cock added a whole new dimension to it!

Sure enough, Alan unleashed a torrent of creamy spunk down my throat, and as I swallowed it Connie lashed her tongue extra hard over my clit, making me come even harder than before. Somehow though, coming again just seemed to make me hornier, and I pulled Connie to the floor with me so I could try my first taste of pussy.

She murmured, "Oh yes, that's right! Do it to me! Lick my cunt!" as I lowered my head between her thighs and took my first experimental lick. Her flavour flooded my mouth and then I didn't think twice about burrowing my tongue right inside her and tongue fucking her the way she'd done me.

As Connie bucked and wriggled, I felt something rub against my cunt from behind.

It was Alan's cock, rock hard again and trying to get into my pussy! I spread my sticky cunt lips with trembling fingers and he inched his cock in until I was full to the hilt with hard meat. The sensation as he began thrusting in and out, very slowly as if to tease me, was incredible. I pushed back against him, urging him to speed up and pound my pussy, my face still buried between Connie's legs as I licked her faster and faster.

Alan quickly took the hint, and built up the pace until he was hammering into me, almost lifting me off the floor with every stroke. I think it was hearing Connie yell as I made her come that really took him over the edge, and he poured his second hot load into my tight cunt, gripping my bum tightly all the while.

Believe it or not, we still hadn't had enough, and Connie sucked Alan's spunk out of my cunt until he was ready to fuck me again! We've had a couple more very horny threesomes since then, but the memory I still masturbate over the most when I'm alone is Connie fingering my cunt in the restaurant when I thought it was Alan! — *Caroline, Luton*

Female Thrill

I'd like to share my experience with you as hopefully seeing my story in Club will make me feel more comfortable about what has happened. I've always thought of myself as a normal woman with normal needs. If I haven't got a lover then I masturbate regularly, though always in the privacy of my own bedroom when I'm sure no-one else is around.

I was at a friend's party recently when a handsome guy called Terry began chatting me up. The attraction was mutual and the conversation flowed easily, as did the alcohol. Sometimes I blame the alcohol for making me do what I did, but I know that's just groping for excuses because I certainly wasn't drunk!

The party began to wind down and when Terry invited me back to his place I started to feel really horny in anticipation of what I hoped would happen there. "I'll just go and ring for a cab," he said — and as I discovered

later, he must have called home too...

Compared to my tiny flat, Terry's house was quite big. "Do you live here by yourself?" I asked.

"No," said Terry. "I share." And I assumed that he must have a flatmate who was out for the night.

We both sat on the couch and Terry's hand began to wander past my knees and thighs towards my pussy, which was already getting wet. I opened my legs, allowing Terry to stroke the silky panties which were pulled tight over my plump pussy mound. When he'd got me really hot, and I was arching up against his hand, he whipped my panties right off and his fingers began to explore my cunt in earnest.

I lay back and closed my eyes as I became overwhelmed by the pleasurable sensations. Two of Terry's fingers began thrusting deep into my hole while his thumb flicked against my clitoris. Then for a second he pulled his fingers out. Just as I was about to open my eyes and complain he inserted them again and continued to tease my pussy.

Terry's touch was soft, but deeply satisfying. He knew exactly how to rub and fondle my cunt, and seemed to anticipate my desires just as if I was giving him directions myself.

I was already beginning to come when he replaced his fingers with his hot, probing tongue, lapping against my clitoris and sucking my sticky juice from my cunt hole.

"My God," I cried as my pussy muscles began to twist, "I'm coming!" And instead of the usual polite little orgasms I've experienced before, my pussy felt as if it was spraying juice into Terry's face, I came so hard. My hands reached down to grasp Terry's head so I could grind my pussy hard against his face; and as I touched his head it took me a second to realise that Terry's hair seemed to have grown an awful lot...

I opened my eyes and instead of Terry's dark head bobbing between my legs there was a girl's long red hair. "Who the fuck...!" I cried, horrified.

"Don't fight it," said Terry, who was sitting on a chair nearby, watching everything.

"You can't tell me that you didn't enjoy that?"

My face felt flushed and when the girl began rubbing my breasts I realised that I was loving every minute of it! Her hand ran over my face and when she bent to kiss my lips my heart began thumping loudly.

Our kisses began softly, but then my tongue worked its way into her mouth and we got really carried away. She was kneading my titties quite forcefully now and I wrapped my legs around her, grinding my body up against hers.

I could tell that she was searching for something with her free hand and when a buzzing sound filled the room I realised I was about to try another new sensation — being fucked by a vibrator! When she held it up for me to see I was a little alarmed. The vibro was shaped like a large cock but it had another little stalk growing out it.

It looked rather forbidding, yet as I looked at it I felt another rush of heat to my pussy, and I was eager to find out how it would feel inside me. My red-headed friend

popped open the buttons of my blouse and slid that off, then unclipped my bra to reveal my titties with nipples as hard as diamonds aching to be played with.

She ran the fat part of the vibrator around my nipples, sending sexy shivers down

my spine. "That feels good, doesn't it?" she asked, speaking for the first time. I nodded. "Wait till you feel it in your pussy then!" she laughed, moving the vibro down between my legs.

First she teased my clitty with the head, then when I

was dripping wet she began to squeeze the vibro into my pussy. And not only did I have this bulky pulsating fake prick pleasing my pussy, but I had the extension tingling against my clitoris. I'd never felt anything like it! My body squirmed madly as delicious orgasms ran through me.

The sight of me losing control like this had Terry wanking like crazy, and after several climaxes the redhead told him, "I think she wants a real cock now."

I just gasped my assent as she slid the fake cock out of my cunt and guided Terry's thick meat into me. He pounded into me hard and fast, while the girl stood over us, fingering her wet pussy. And I'm not sure which it was that made me come the most — the fat cock building up a delicious friction in my cunt, or the sight of her sticky fingers teasing her red bush and filling her pussy!

Eventually Terry poured his spunk into me, setting off another series of chain reactions in my snatch, and the redhead lowered herself over my face so I could plunge my tongue into her as she came. That really was a new sensation, but I took to pussy-licking like a duck to water!

I have to admit I still feel guilty about that night, and I can't get to grips with the fact that I've got lesbian tendencies. But I know if I ever find myself in a situation like that, I'd do it all over again... —

ON THE JOB

In and out of the office

Sex For Six!

My best friend Kathy and I are a really randy pair — and the thing is, we've got the perfect job to make sure that we get all the sex we want, with the most handsome and fit men around. Occasionally women too! Because we work at one of the top health spas in the country (obviously I can't say which one — we'd be at risk of losing our jobs) there is a constant stream of potential sexual partners coming and going —

always in a state of arousal; Kathy is always joking that I'm the horniest girl she's ever met, and I reckon she might just about be right.

Kathy is the opposite to me; a busty brunette who's more shy than she appears. I first met her when she started working at the spa about six months after I'd got there. We have to share a bathroom in the staff quarters, and I'll never forget the morning I walked in and found Kathy, who'd forgotten to lock the door. She was standing naked

probed for her clitoris and rubbed the pad of my thumb against the hard bud. Soon we were in a passionate clinch with tongues and fingers everywhere, and both of us enjoyed sensational orgasms from our mutual stimulation.

As we'd both discovered that we were sexy girls, we then went looking for it anywhere we could get it. And of course, the obvious place was the customers who came to the spa.

Strictly speaking, it was absolutely forbidden for staff to have any sexual contact with the guests, but with our looks, and working as a team, Kathy and I were soon able to get around that. What girl in her right mind could resist the sight of all those hunky guys wandering about in their brief shorts while working on the exercise machines or going into the pool? And, as part of our duties was to administer massages after the guests had been through their exercise routines, we were both in a

state of constant sexual excitement as our oiled hands rolled and rubbed all those muscled, firm bodies. Sometimes we'd furtively touch each other if we were working at adjacent tables — and if one of the guys we were massaging saw us and got a hard-on, then so much the better.

The first time that anything went beyond that was after Kathy had been working there about six months, and I'd been there a year and a half. There was a gala dinner held in the dining room, and all staff were expected to attend. The party then spread to the pool area, and this was where the fun really started.

One of the guests, Tim, who I'd been eyeing up for quite a while came over to me and said, "You and Kathy haven't been in the pool yet, have you?" — and before we could say anything, he and his friend Tris had grabbed us both and plunged us fully clothed into the swimming pool!

We were all laughing as we clambered out, and it was then that I realised that both our outfits had gone completely transparent. There were my nipples standing out like acorns and Kathy's hair plastered to her head, her boobs on show for everyone to see.

"You're going to pay for that," I told Tris and Tim, and before they could protest Kathy and I dragged them by the hand into the huge bathroom that is attached to the swimming pool.

We locked the door as soon as we'd got inside, then I turned to face the two jokers. "Thought that was funny, did you?" I asked. "Well, wait till you see what we've got in store for you." And with that, Kathy and I turned to each other and slowly, sensuously started stripping each other's wet clothes off.

As my dress fell to the floor and my bra-less boobs poked free, I began to give a running commentary on the action for the benefit of the

and believe me, we both take full advantage of it.

We're lucky that we've got the looks to get away with some of the outrageous sexual adventures we've had; that's part of the job, always looking good, and being fit and well groomed. I'm blonde, about five feet eight, with long legs and firm, high tits with nipples which seem to be constantly erect and throbbing. In fact, I'm almost

beside the bath, rubbing the soap all over her delicate little fanny, touching her clitoris with her thumb and succumbing to one intense climax after another, her head thrown back in delight as she savoured her orgasm and worked her fingers faster and faster.

Naturally I couldn't resist slipping out of my nightie and joining her, letting my fingers stroke her pussy as I

two guys. "See how my hands are stroking Kathy's tits as I'm undressing her?" I breathed. "Wouldn't you love it if your cocks were able to do the same? Imagine rubbing the head of your prick over one of these lovely nipples — wouldn't that be the most exciting thing you've ever done?"

I was panting as I was talking, my hands roving all over Kathy's now bare body, my fingers probing right up into the cleft between her boobs and then down lower, parting her bush and thrusting into her soaking cunny. She pressed herself right against me and we started kissing, Kathy rubbing her tongue over my face before putting it between my lips for me to suck. Every movement was exaggerated for the benefit of the watchers, and from the way their swimming trunks were bulging, I knew that our antics were really turning Tris and Tim on.

"We're going to let you fuck us, don't worry about that," Kathy told them as we slid down to the floor and coupled together into a highly arousing 69. "But first

we've got to make sure that your cocks are really ready for the rogering we're going to give them!"

Tris and Tim could hardly believe their luck as Kathy and I set about eating each other's pussies out with a vengeance. The smell and taste of her cunt drove me wild, my fingers scrabbling on her boobs and nipples as I delved right into her pussy hole and felt her doing the same to me. Tris and Tim came closer to us so that they could get the best view of our dirty lesbian activities, the juices shining on the insides of our thighs and on our pubes as we writhed against each other frantically. The marbled floor of the bathroom was cold against my skin but somehow that just made the whole thing more exciting with the contrast against my boiling hot skin.

I started coming at the same time Kathy did, and soon we were both riding those orgasm waves, moaning and groaning as loud as we could to give the guys an idea of what we were feeling. It wasn't long before we felt the

COUPLES CONFESS

Share and share alike!

Shaven Raver

My husband and I have been married for five years and so he's had plenty of time to get used to my little sexual kinks — and believe me, there are a lot of them!

Trevor really knows how to arouse me and between us anything goes — but best of all, he knows when I want to be left alone to play with myself and enjoy my body.

For instance, I get aroused very easily by smoothing baby oil all over my naked body after I've had a bath or a shower, my fingers reaching into all my little crevices. Of course, I know better than anyone the places

experience I've ever had.

One day while I was in the bath I was trimming off my pubic hair — which is very thick and luxuriant and dark brown, so it always needs a good trimming — and I suddenly thought, why didn't I shave my bush in the same way that I shaved my legs and under my slim arms?

The more I thought about the idea, the more excited I became. I'm very sensitive in my pubic region — even the slightest touch of fingers on my pubic mound or on my little love button sends me into shivers and it's not long before I come, my whole pussy contracting and vibrating. Thinking about

on my body that get me excited. I look after my skin to keep it extra smooth, using all kinds of scrubs and creams and potions, and when I'm in the bath I buff it up to keep it in tip-top condition. I've also always kept my bush in trim, making sure that the hair is always soft and conditioned — Trevor loves to bury his face in it when he's going down on me, his tongue lightly brushing my pubes before sliding into my wet pussy. But I never thought that my bathtime routine would lead to the most erotic sexual

shaving my pubic mound was really exciting me. I could feel the tingles start up in my pussy as I lay in the warm water, and my nipples immediately became hard and erect.

Before I had a chance to think what I was doing, I'd drained most of the water from the bath until there were just a couple of inches left in the bottom, and then I covered my whole pubic area in a thick layer of soapy bubbles before holding the razor above my pubes and slowing lowering the blade towards them. Then, going as

I rolled around with my tongue, talking to him between sucks. "Do you like the feeling of me sucking you?" I asked him. "Your cock tastes wonderfully salty and smooth. Do you put lotion on it to make it smoother for girls like me who love sucking guys off till they shoot their load in my mouth?"

But the only reply I got was a loud groan as Dan pulled me closer to him, holding my head firmly as he pushed my nose right into his thick, curly pubes and revelled in my expert sucking action. Meanwhile, Kathy had set about Jeff's circumcised shaft as if her life depended on it, and the noises of slurping and juice-swallowing must have been audible in the next county!

"You know what you've got to do now," I said over my shoulder to the first two as I took a break from gulping down those inches of man meat. "Get ready to slip those big cocks up into our hungry pussies!"

Tim quickly leapt up behind me and then grabbed my hips, rubbing the engorged head of his cock against my slippery lips as he prepared to enter me.

The first inch slipped inside

me with great ease and I wiggled my buttocks to get as much of it into me as I possibly could. God, it felt great being totally stuffed full of that hot shaft, and I pushed back and forwards to get the full benefit of the width of him. I started orgasming as he reached around and gently rubbed my clitty with his fingers — in fact, I almost bit Dan's cock, I was in such a frenzy!

Kathy was enjoying the full treatment from Tris. I could see the way he was slowly circling his hips to get the fullest penetration possible, and her boobs were swinging wildly as she pushed back against him and sucked Jeff wildly.

I wondered who would be the first to come, and in the end it was Dan who unloaded his spunk between my eager lips. I gulped it down quickly, savouring the salty taste going down my throat at the same time as a hot length was probing me deeply. The sight of me swallowing spurred Jeff on to unload himself too, and Kathy swirled the sticky come around inside her mouth as Tris almost lifted her off the floor with his hard fucking strokes.

Kneeling up, Kathy and I

faced each other and kissed, swapping the come juices around between our mouths, but without letting go of the cocks inside our cunts for a second. It was a delicious sensation, knowing that any moment a guy was going to shoot his come deep inside my tight cunt after watching his mate come in my mouth. My clitty was aching and my knees trembled as I climaxed over and over again. My cunt was so juicy and slippery I could barely grasp the cock inside me and keep it there.

The moment when Tim and Tris shot their loads into my friend and I (almost simultaneously — what impeccable timing!) was indescribable. I felt Kathy bite my lips as she came when Tris did, and when they'd withdrawn their thick cocks we gleefully scooped the come out of each other's cunnies and then rubbed it into each other's boobs — which normally would have started the whole process all over again if we hadn't been too knackered...

Kathy and I have enjoyed many similar encounters together since then — and if there are no willing male guests at the spa when we feel horny, then there's always the women to try! — *Leonie, Worcs*

hot splash of come hitting our buttocks and boobs as first Tim and then Tris shot their loads over us. They hadn't been able to hold back from wanking as they watched the show we'd put on for them, and they both slumped down against the sides of the marble sunken bath after they'd come, tired yet obviously still horny and hungry for more.

Kathy and I couldn't waste all that delicious come, however. "You want to watch us eat your load, do you, boys?" Kathy asked them — clearly not expecting any answer but an uncompromising yes!

Their eyes lit up as they watched us lick up and swallow every drop of sticky come that had coated our bodies. Then we stood up and flaunted ourselves in front of the prostate guys, pulling our nipples out so that they were as hard as nuts, parting our pussy lips so that Tris and Tim could have a good view right up into the sweet wetness underneath. We were just about to tell them who

was going to be allowed to fuck who when there was a loud hammering at the door.

Peeking through the keyhole I could see that there were two of the guys' mates — Dan and Jeff — standing there. They'd obviously worked out just what was going on in the bathroom and they wanted a slice of the action.

Kathy and I grinned at each other, wrapped ourselves in towels and then unlocked the door. Then, to Dan and Jeff's amazement, we stood in front of them in the doorway and let the towels drop to the floor, revealing our bodies in all their aroused nakedness!

Within seconds we'd pulled the two shocked but extremely horny guys into the bathroom with us and quickly stripped off their wet swimming trunks. Kneeling in front of them (Kathy taking Jeff, me taking Dan) we started the sort of synchronised blow-jobs that most guys can normally only ever dream about.

Dan had a long yet satisfyingly thick cock which

slowly as I could bear because of the trembling in my cunt, I proceeded to shave my little love mound until it was completely bare.

When I'd washed off all the bubbles, I sat and looked at my naked, glowing pussy. I could clearly see my clitty, all dark pink and throbbing, sticking out from between the moist folds of my pussy. I was dripping with love juices, I was so excited, and I just had to kneel on all fours in the bath then, pushing my index finger inside my pussy hole until I was almost screaming with ecstasy. I rubbed my thumb over my clitoris the whole time, occasionally slipping it onto my smooth mound. I'd never felt anything as good before.

When I showed Trevor what I'd done, I could see that he was really aroused. It was then that he started telling me about his mate at work, Jon. Apparently they'd been having a conversation about shaven havens at work one day, and Jon had confessed that he'd never seen one. "How about letting him get a good look at yours?" he suggested.

We've had plenty of threesomes in our time — I get very turned on having Trevor watch me being fucked by another guy — and so I agreed straight away. He warned me which day Jon would be coming around, so that I would have the chance to prepare myself. So when they arrived I was waiting,

lying on the sofa wearing just a lot of smooth, scented body cream and a smile. My shaven pussy was completely visible between my open thighs and the two of them could clearly see my little clitty, wet and throbbing and hard. It was almost like a little cock, it was so stiff.

As they stood and watched me, I reached down and played with myself, which is a treat I don't often give Trevor, as I feel a bit shy about masturbating in front of him. Jon's eyes nearly started out of his head as he watched my fingers working my bare pussy and the way I was licking my lips lasciviously, enjoying all the attention. Trevor was loving the fact that his mate was getting

such a good view of his own wife's pussy, and I could see that Jon's cock was hardening in his trousers. I became even more aroused as I closed my eyes, stroked myself harder and imagined what his cock would look like as it stiffened up.

"Get your cocks out, both of you," I told them, still diddling myself. "I want to see you both get hard." They obeyed, dropping their trousers and pants and standing in front of me, their cocks bobbing up and down. Trevor started playing with himself in earnest, really wanking his cock as he watched me, and I rubbed my naked mound. Every tingle in my pussy seemed to be exaggerated.

Then I began pushing two, then three fingers up inside myself, wanking hard, breathing deeply to control myself. My first climax hit me unexpectedly, and then I couldn't stop coming. I hardly knew where I was — all I could concentrate on were the contractions in my pussy walls and how much more sensitive my whole private parts were now that I'd shaved them.

"I need your cock," I whispered to Trevor. I couldn't take my eyes off the swollen end of it, and the precome that was seeping out of the end. "I need your cock inside me, fucking me. And I want Jon to watch exactly how I like it to be done — he's next!"

That was all the encouragement that Trevor needed, but he wanted our fucking to be a little different this time. Usually he's on top, and I love that, but this time he obviously wanted me to mount him.

I went across to him and, pushing him flat onto his back on the carpet, I straddled him and eased his cock up into my cunt.

The first feel of his helmet pushing its way into my tight pussy made me come again. I moved my pelvis up and down as fast as I could, and squeezed his cock, hugging it inside me. Trevor fucked me as fast as he could from that position but obviously it was up to me to do a good proportion of the work, and I

revelled in it.

I could feel him penetrating me deeply from that position, and our fucking got very vigorous and raucous. I was shouting at him which way I wanted his cock to push into me, and I could see as I bounced on top of my husband that Jon was wanking himself vigorously, his cock straining and his balls obviously aching with the amount of come they were holding back.

"Suck his cock, Julie," Trevor begged me. "I love to see you sucking off another man."

That was all the encouragement I needed. I pulled Jon towards me and opened my mouth, so that he could drop his knob end right in there for me to taste.

"I'm not going to be able to hold myself back for long," he warned me as I licked his shaft with my tongue and gently nibbled at his foreskin. He tasted delicious.

"Don't worry," Trevor told him. "Julie loves the taste of spunk — she can't get enough of it!"

I took him out of my mouth for a moment as I urged him, "Come in my mouth! I want to have your come in my

mouth!" I was soon rewarded, after a few moments of having his cock thrust inside my mouth, with a throatful of creamy, hot spunk, which I gulped down eagerly. The base of Jon's cock was pressing right up against my teeth, his pubes tickling my nose as I swallowed everything he was able to give me.

The sight of his friend coming in my mouth really excited Trevor, and he began thrusting upwards with his pelvis as I rode him, grabbing my boobs and playing with my nipples as I gasped at him to fuck me as hard as he could. He arched his back off the floor so that he could get really deep penetration, and just at the moment he came I felt myself climaxing so hard that I thought my pussy was going to explode with the force of it.

When I detached myself from Trevor's cock, his come juice was running out of my pussy and down my thighs, and I reached down and scooped it up, swallowing it down greedily as the two guys watched me. Their semi-hard, sticky cocks once again rose up to hardness as they watched my filthy

behaviour and how I was revelling in the taste of their come.

"Now it's time for us to swap over," I told them. "I know how much Jon wants to fuck me."

And to be honest, I was really wet and eager to feel Jon's long, thin cock pushing up between my pussy walls, reaching into me as deep as I could take me. I squatted on the floor so that he could take me doggy-style, holding my love lips open with a couple of fingers so that the two guys could see deep into my shaved, soaking cunt.

Trevor just stood by and starting wanking himself as his friend knelt down and gently pushed his length into me, easing himself up inch by inch until I'd taken his whole nine inches. Then he slowly slid out until just the tip of his cock was still inside me, pulsing with lust, then pushed back in again, all the time holding my hips to keep me firmly impaled on that tool. Not that I was going anywhere!

At the same time Trevor stood in front of me and offered me his cock, only letting me lick the end lightly rather than suck it fully — he

wanted to save himself for his special finale. I could taste my own love juices on his shaft, and that just drove me wild, my pussy muscles contracting around Jon's cock as he drove into me hard and fast. It didn't take him long to come inside me, and I reared up as his hot spunk jetted into my cunt. I was climaxing all the time by now, rubbing my own little clitty and just waiting for what I knew Trevor was going to give me.

"You want it on your boobs, don't you?" Trevor breathed. I could only nod, exhausted from my orgasms. I closed my eyes and waited for that delicious hot spray of cream to cover my boobs so that I could rub it in. When it came I gasped as it hit my nipples, reaching down to rub it into my skin, savouring every second as Trevor finished coming on me.

Who'd have thought that just shaving my cunny would have led to such an erotic encounter? I've certainly been keeping my pussy pared down since then, and to say that my sex life with Trevor has taken a turn for the hectic would be an understatement! — Julie, Staffs ♣

A full-page photograph of a woman with brown hair and bangs, looking over her shoulder at the camera. She is wearing a red short-sleeved top with a large lace cutout on the side and white lace-trimmed underwear. She is sitting on a wooden chair with a floral patterned seat. The background is a wooden wall.

Last month we published Shanine's first ever nude photoset, and sexy as it was, she was sure she'd get better and better at modelling if only she was given a little more practice. Well, you obviously agreed, and wrote in your hundreds to encourage her. "There were lots of nice compliments about how I looked, but to be honest I only skimmed those," giggles the 18-year-old. "You probably realised last month that I'm a bit of a bad girl, and I went straight for the dirty letters! I finally picked out four of them – three from guys and

one from a woman – and took those home to read in private. The things they were talking about were so rude! I stripped down to just my stockings – somehow I feel more naked than ever when I've got those on, if you know what I mean – and read them in bed. I couldn't help reaching in between my legs while I was reading... they lasted me the whole night, I can tell you! If you think I've got a naughty glint in my eyes in these photos, it's because I was thinking about my session with those letters!" ♣

Stacey

Photographs by Scott Evans

Stunning Stacey is a lady who knows what she wants and how to get it.

"People are usually pretty shocked when they find out I'm only 19 years old," explains the brunette in her smokey voice.

"I've done so much with my life they think I must be a couple of years older at least. I've travelled most of the world and I've been promoted several times at work — I plan to

be in a managerial position by the time I'm 21!"

*Obviously you've got things well organised Stacey. So what made you
decide to try your hand at modelling?*

*"My fantasy of having thousands of men admiring my naked body was
becoming overwhelming. I knew that if I didn't strip soon I'd remain
frustrated for the rest of my life. I'm really pleased with the results — they
even turn me on!" ♣*
